-Equipment

All equipment must be handled with care and respect. The instructor understands that during the learning process there may be times in which things get dropped on the floor. Due to the expense of some particular items the following will be enforced starting with the first practice: When using rifles, anytime they are dropped and the bolt of the rifle hits the ground surface, the member which was responsible for catching the equipment shall complete 5 push-ups.

Millbrook High School Colorguard Contract

The student and parent/guardian are asked to sign a copy of this document stating that you understand what is required of you as a member of the Millbrook High School Colorguard as stated above.

This must be filled out and returned to with the marching band contract, due June 8th at rehearsal. Remember your \$30 registration fee for the clinic is due June 1st.
